

Dear Hiring Team,

I am excited to apply for the Cloud Learnership in IT Application Development. I am completing my B.Sc. in Computer Science and Informatics this year, and I am eager to kickstart my career by gaining hands-on experience in cloud computing and IT development within your team.

Throughout my studies, I have developed strong foundational skills in programming, problem-solving, and data analysis, and I am particularly interested in cloud computing and DevOps. This learnership's focus on practical experience in areas like cloud architecture, site reliability engineering, and FinOps makes it an excellent fit for my career goals. I am enthusiastic about the opportunity to learn and grow within such an innovative and supportive environment.

I am a quick learner, highly organized, and committed to delivering high-quality work. I look forward to contributing positively to the team, gaining valuable real-world experience, and embracing continuous improvement to further develop my skills.

Thank you for considering my application. I am excited about the opportunity to join your team and make a positive impact.

Warm regards,

Emmanuel Boshielo
